- 1. CONSTRUCTION OFFERS:**  
Career opportunity throughout the nation. With 40% of the workforce retiring soon, opportunities are open.
- 2. GET PAID TO LEARN!**  
Earn competitive wages, excellent benefits, on the job training, career opportunities, and no student debt burden.
- 3. APPRENTICESHIP TRAINING**  
Is open to everybody. Equal opportunities abound for all, no matter your size or physical strength.

## PROGRAM DATES

Tuesdays & Thursdays  
(2:30 to 5:00 pm)  
July 11 to August 1, 2023

**REGISTRATION DEADLINE:  
MAY 25, 2023! (SPOTS ARE LIMITED)**

Classes will be held at Murphy Company  
12789 Emerson St. • Thornton, CO 80241

## THE PROGRAM

Colorado Heavy Metal Summer Experience allows students to explore a career in the HVAC and Sheet Metal Industry in a safe, fun, supervised atmosphere alongside current industry professionals from apprentice to executive levels. Campers will build two projects, tour a construction site and apprenticeship training center and celebrate at a recognition ceremony.

## WHY APPLY?
