PROGRAM GOALS

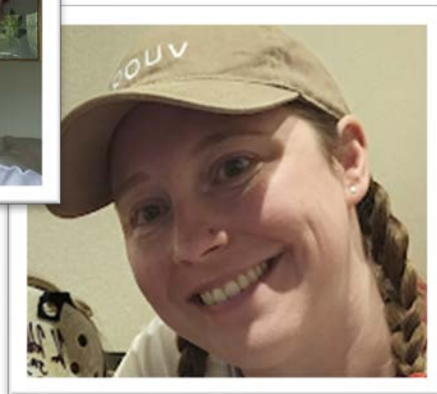

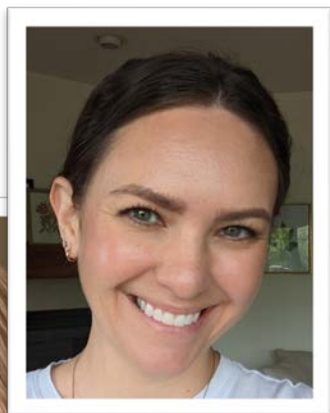

- Introduce the new and modernized MyUI+ portal to employers.
- Go over why the UI Premiums System was modernized.
- Participants will be taught by experts from the Colorado Department of Labor and Employment on how to use the new tool, including the mobile phone platform, and the creation of new login credentials.
- Employers will learn what is new in the system and the beneficial new changes.
- The expectations of employers as well as the changes with the new reporting requirements.
- Question and Answer Session

Presenters:

Tracy Hager: UI Communications Manager

Meghan Kulp: Branch Manager of Employer Services

Julie Primo: Employer Modernization Branch Manager

Webinar will be recorded and made available on the Rocky Mountain MCA website after the session
